Response to November 2024 Parent Survey

Dear Parents and Carers,

Thank you for taking the time to share your feedback in the recent Parent/Carer survey. We received 55 responses and value your insights. Your feedback helps us continually improve our school community and provide the best possible environment for your children.

We are pleased to hear that many of you appreciate the friendly, supportive, and inclusive atmosphere at Meadowside Primary School. It is great to know that our efforts to create a nurturing environment, celebrate achievements, and foster a sense of community are recognised and valued.

We also take your suggestions for improvement seriously. Below, we have highlighted key themes from your feedback and the steps we are taking in response:

1. Communication
Many of you requested more regular updates about your child's progress, school events, and classroom learning.
Actions: Introducing Termly Knowledge organisers and increasing updates via Facebook.

2. Safety and Drop-Off/Pick-Up Arrangements
Concerns were raised about congestion and safety during drop-off and pick-up times.
Actions: Opening the recreation gate to reduce congestion at the KS1 gates and encouraging parents to drop off and leave promptly to avoid overcrowding.

3. Behaviour and Inclusion
You highlighted the need for better handling of behaviour disruptions and greater transparency regarding bullying.
Actions: We have reviewed Anti-Bullying Policy, and we will share this with you, it is currently on the school's website.

4. Parent Involvement in Learning
Many parents requested more opportunities to support their child's learning at home.
Actions: Continuing knowledge organisers and we are planning more phonics/reading and maths open classrooms. We are also considering history/geography open classrooms to enhance involvement.

5. Extra-Curricular Activities and Clubs
•Suggestions included expanding after-school and holiday club options.
•Actions: We are exploring additional external providers, such as street dance clubs.
